me: ready for some behind-the-scenes spymaster intrigue that could be straight out of a technothriller novel?
me: http://www.wired.com/threatlevel/2011/07/manning-lamo-logs/
me: This is a heart-pounding conversation between, on the one hand, a shadowy Army intelligence operative who's questioning his loyalties
me: and on the other hand, a mysterious master hacker who's own loyalties are known only to himself
me: 11:02:24 AM) bradass87: i need a lot more than a hug :(
me: (01:38:13 AM) bradass87: its difficult to communicate with therapists
me: (03:00:35 PM) info@adrianlamo.com: but you make a cute boy! ;>
